RE: Affidavit of Concern to be shared with the Select Subcommittee on the Weaponization of the Federal Government

To Whom It May Concern:

My name is _____.

I am a resident of _____ (city), _____ (county), _____ (state).

My phone number is _____ (optional).

The night of January 9, 2023, I attended a Caldwell School District Board meeting.

Over 13 Caldwell police and Canyon County sheriffs' vehicles were present and more than that number of officers present.

I had comments prepared to speak on agenda item _____.

I was unable to speak when the meeting suddenly and unexpectedly was shut down.

It was announced that another meeting would take place Monday, January 23, 2023.

There was one police officer in the hallway when I entered an impromptu short prayer meeting after the school board meeting.

When I left the prayer meeting 5 minutes later, there were over 8 officers lining both sides of the hallway.

That sudden show of implied force was intimidating.

There was no violence.

The follow up meeting to allow the public's input to be heard did not occur.

I am concerned that I am now on one of the "domestic violent extremist" watchlists I have heard about.

I certify the following is true under penalty of perjury on this ___ day of _____, 2023.
