

# CSG TRAINING - 2023

## STATE CONSTITUTION STUDY PROGRAM

### State Constitution Classes (Online/Live)

The state constitution study program exposes the student to 1) the state's organization of control between elected, appointed, and employed governing; 2) distribution of power between the departments of state government; and 3) the legal subdivisions within the state.

Time: 2+ hours per class  
Tuition: \$25 per student per class

*Optional state-specific workbook is an additional fee.*

- **C100 – Introduction to Your State Constitution:** Learn your State's connection to the U.S. Constitution, the creation of Your State's Constitution, and its Pre-Amble and Article 1.
- **C200 – Legislative Department:** Learn the structure and operation of your State's Legislative Branch.
- **C300 – Executive Department:** Learn the structure and operation of your State's Executive Branch.
- **C400 – Judicial Department:** Learn the structure and operation of your State's Judicial Branch.
- **C500 – Local Government:** You will learn the structure and operation of your State's Regional, County, City/Town, and School governments

**CSG has limited prerecorded state constitution classes available online. Please check out our Vimeo page for more information.**
