Representative Mike Moyle  
Speaker of the House  
Room E303

Dear Representative Moyle,

The Snake River Republican Women are proud to present you with our  
Parents as Primary Stakeholders Resolution.

God created the family. Communities and society-at-large benefit when the  
family thrives. These facts make it obvious that there is no greater  
stakeholder in a child's life than their parents.

We implore the Idaho State Legislature to pass common sense legislation as  
soon as possible that will ensure that parents are recognized as the primary  
stakeholder in their children's education, well-being, and upbringing.

Thank you for your consideration of this sensitive, yet critical Resolution.

Sincerely,

Lori Anderson, Secretary  
Snake River Republican Women

Parents as Primary Stakeholders Resolution

## 2023 RESOLUTION OF THE SNAKE RIVER REPUBLICAN WOMEN PARENTS AS PRIMARY STAKEHOLDERS RESOLUTION

A resolution recognizing parental rights, stakeholder authority, and right to participation in education and their child's upbringing.

**WHEREAS**, on September 28th, 2021, Gubernatorial Candidate Terry McAuliffe (D-VA), said, "I don't think parents should be telling schools what they should teach."; and

**WHEREAS**, on September 29th, 2021, the National School Board Association asked President Joe Biden to label parents as Domestic Terrorists for questioning Local School Board policies; and

**WHEREAS**, on September 30th, 2021, President Joe Biden's Education Secretary Miguel Cardona refused to state that parents should be the "primary stakeholder" in their kids' education during his testimony before the Senate Committee on Health, Education, Labor, and Pensions; and

**WHEREAS**, parents are the primary stakeholders in their children's upbringing; and

**WHEREAS**, as the primary stakeholders, parents are responsible for what their children are taught; and

**WHEREAS**, being the primary stakeholders and responsible for what their children are taught, parents have the unalienable right to be a part of the political process; and

**WHEREAS**, the National School Board Association has rebranded itself as the "Consortium of School Boards Association"; and

**WHEREAS**, Idaho parents, Local School Boards and Idaho School Board Association asked the National School Board Association to rescind their September 29, 2021, letter to President Joe Biden asking him and his administration to label parents as Domestic Terrorists and, by extension, limiting parental participation in the democratic process.

**THEREFORE, BE IT RESOLVED**, the Snake River Republican Women publicly declare their affirmation for parents as the Primary Stakeholders & Political Participants in defense of their children's education, well-being, upbringing and future; and

**THEREFORE, BE IT FUERTHER RESOLVED**, the Snake River Republican Women implore the Idaho State Legislature to pass legislation that will ensure that parents are protected from the Political Weaponization of Labels and Government that, in the instances listed above, would infringe on their Parental Stakeholder Responsibilities and Participation Opportunities.
