

## CONCERN 41: WHISTLEBLOWER ALLEGES EVIDENCE OF SPLC DIRECTING FBI.

Whistleblower Dennis Nathan Cain alleges, to our organization, on December 12, 2023, that he was in personal possession of a document indicating the SPLC was directing the FBI, and that he turned this document, along with others, to DOJ IG Michael Horowitz<sup>69</sup>, who in turn, handed those documents to the Senate and House Select Committees on Intelligence.

However, on November 19, 2018, possibly violating the Intelligence Community Whistleblower Protection Act, the FBI raided Mr. Cain's home, seizing his whistleblower documents.<sup>70</sup>

On November 30, 2018, Senate Judiciary Chairman Chuck Grassley requested<sup>71</sup> DOJ IG Michael Horowitz turn over Mr. Cain's documents to his committee.

**CONCERN:** Are either the Select Committee on the Weaponization of the Federal Government and the House Oversight committee aware of or in possession of this whistleblower document?
