Did Congress authorize a Domestic Terrorist list of U.S. citizens & organizations?

2. TSA QUIET SKIES – based on Domestic Terrorist List of U.S. citizens with no FTO connections?

August 2018⁷² – TSA social media post concerning “Quiet Skies” program:

SPLC lists and ‘Intelligence Report’?
FBI U.S. citizen & organization lists?

“TSA’s intelligence professionals develop a set of **risk-based, intelligence-driven** scenario rules, which allow us to identify **international travelers** who may require enhanced screening.”

When did this shift to include domestic (U.S. citizens – not connected to FTOs)?

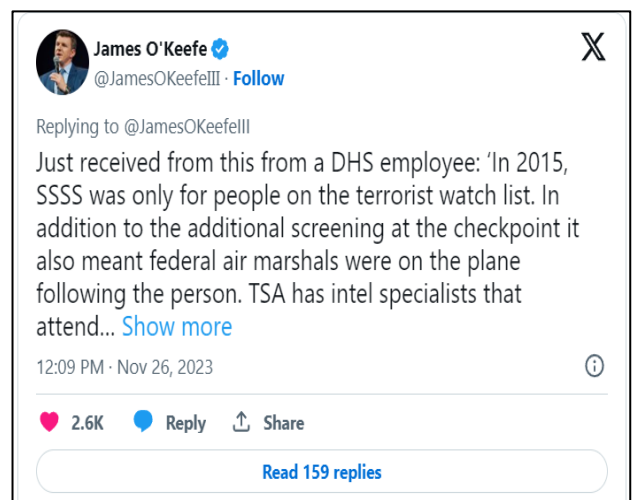

November 21, 2023⁷³ – Air Marshal National Council Director Sonya LaBosco admits TSA using “Quiet Skies” program to follow ‘J6’ related travelers (U.S. citizens with no FTO connections or criminal charges).

LaBosco: “Our primary mission is “Quiet Skies”...we are following anyone who flew into the capitol...on January 6, 2021...they were put on a specific list...put on this **domestic terrorist list**...

Shimkus: Do those people know they are on this list?

LaBosco: Some of them do...when they go to airport they get quad S on their boarding passes...yet they have not committed a crime...who are no threat to this country”

November 26, 2023 – Controversial figure James O’Keefe goes through Quad-S experience with TSA. NOTE: O’Keefe was raided by FBI in November 2021⁷⁴ allegedly concerning diary of President Biden’s daughter.

December 29, 2023 – Tayler Hansen, via his Twitter account⁷⁵, alleges TSA (1) listed him as ‘Domestic Terrorist,’ (2) based on incorrect or missing information concerning his January 6th, 2021 U.S. Capital activities, and (3) subsequently followed him on 16 different flights
