

### **SOLUTION 3: INTRODUCE RARS (REJECT ALL RACIAL SUPREMACY) RESOLUTION, LAW, OR AMENDMENT**

**Problem:** All forms of racism are abhorrent and useless in the 21<sup>st</sup> century, whether White, Black, Asian, Hispanic, Arabic, Jewish, etc.

**Solution:** The United States can set the standard for enshrining this truth during the 21<sup>st</sup> century by passing a resolution, law, and/or Constitutional amendment 'rejecting all forms of racial supremacy and any violence to perpetuate its advancement.'

This is a simple truth, with a simple solution:

Let the American people come together to declare, enshrine, and enforce this truth. Doing so will marginalize racial supremacy and its adherents to the dung heap of history and unite the vast majority of human beings who support its 21<sup>st</sup> century blossom and future centuries harvest.
